

We are happy to lend our name and support to this website that brings clarity to many rumors about Gary & Anne Marie Ezzo and the GFI Ministry that circulate on the world-wide web. Joey has personally talked to and investigated over the years many of the critics and accusations. Every time the facts are made clear, Joey has found no major error on the part of the Ezzo's. The one constant fact that has been there from the beginning is the openness and willingness by the Ezzo's to make right any wrong they may have committed.

As ministry partners with Gary & Anne Marie Ezzo, what saddens us most is how innocent parents, truly looking for parenting classes are turned away from what GFI has to offer because of what someone has posted on a website. Once on the internet, it seems like it never goes away, and it is passed around and around until untruths actually are accepted as truth. And then more parents miss out on the biblical teaching and practical parenting found in the Growing Families Int'l parenting material.

Our family is one of millions around the world who have been blessed by the teaching God gave to the Ezzo's. We have known Gary and Anne Marie for almost 20 years now, and the teaching in the Growing Families Int'l parenting material has been instrumental to us in the raising of our children. What a difference learning how to practically apply biblical principle made in our family! We know we would not have the wonderful friendship relationship with our 3 children (1 married, 1 in college and one finishing high school) as we do if we had never had this material.
