

Kenton and Lisa Borger from Broken Arrow, Oklahoma

We were introduced to Preparation for Parenting while Lisa was pregnant with our first child in 1995. We immediately felt a sense of relief as we rejoiced over having a better feel for how we were going to handle a newborn - it helped us think through and discuss in advance things we hadn't yet considered. We were so thrilled with Prep for Parenting that we searched for more help for the older years! Our children are now 10, 7, 5 and 4 years old and the principles and tools in the various GFI curricula have strengthened our ability to build a strong family identity and a deep moral foundation for our children. We have found Gary and Anne Marie Ezzo to be humble and godly people and we're incredibly grateful to them for the impact they've had on our lives through the wisdom and biblical truths they've shared.
