

EzzoTruth has permission to share this from a personal note to Gary and Anne Marie Ezzo:

Gary and Anne Marie,

I am constantly reminded of what my family has received because of your sacrifice and endurance. Knowing my limits, if we had never received the education, support, prayers and hard work by you and the GFI ministry, I would not be allowing God's rich blessing of a solid marriage and Godly children. I can not imagine life without ALL our children nor can I imagine life without the parenting skills you have shared. Thank you for listening and responding to God's leading throughout your lives. I give God all the glory for this parenting material and thank Him regularly for the messengers. Since I can never repay you for equipping Cyndi and I for parenthood, our family will continue to live a transformed life that worships and glorifies God for His love, grace, mercy and infinite wisdom.

We love you,

Tim (and Cyndi) Bird
